

LogiSense Refund Policy

Effective Date: January 1, 2024 | Version 3.2

1. Refund Eligibility

- Customers are eligible for a full refund if the order is cancelled before shipment.
- Orders delayed by more than 7 business days are automatically eligible for a full refund.
- Orders delayed by 3-7 business days are eligible for a partial refund of 25% of the order value.
- Defective or damaged products are eligible for a full refund within 30 days of delivery.
- Wrong items delivered qualify for immediate full refund plus return shipping coverage.
- Digital products and gift cards are non-refundable once activated or redeemed.

2. Refund Timeframes

- Refund requests must be submitted within 30 days of the delivery date.
- For delayed orders, refund eligibility begins from the original estimated delivery date.
- Refunds are processed within 5-7 business days after approval.
- Credit card refunds may take an additional 3-5 business days to reflect in the statement.
- UPI and digital wallet refunds are processed within 24-48 hours.
- Bank transfer refunds require 7-10 business days for processing.

3. Partial Refund Conditions

- Orders with minor packaging damage but intact products receive a 10% courtesy refund.
- Late deliveries of 1-2 days receive a 15% refund on shipping charges.
- If only part of a multi-item order is affected, refund applies to the affected items only.
- Opened software or sealed products may receive up to 50% refund at management discretion.
- Subscription services are refunded on a pro-rata basis for unused period.

4. Non-Refundable Items

- Perishable goods and food items are non-refundable.
- Customized or personalized products cannot be refunded unless defective.
- Items marked as Final Sale or Clearance are non-refundable.
- Products with removed tags, missing original packaging, or signs of use.
- Hazardous materials and flammable products due to safety regulations.

5. Refund Process

- Step 1: Submit refund request through the app or contact customer support.
- Step 2: Provide order ID, reason for refund, and supporting evidence if applicable.
- Step 3: Our team reviews the request within 24 hours.
- Step 4: If approved, refund is initiated to the original payment method.
- Step 5: Confirmation email is sent with refund transaction details.
- For orders above \$200, a supervisor review is required before approval.

6. Dispute Resolution

- If a refund request is denied, customers can file an appeal within 15 days.
- Appeals are reviewed by a senior resolution team within 48 hours.
- Customers may request a callback from a supervisor for disputed refunds.
- All dispute communications are documented for quality assurance.
- Final escalation can be made to the Consumer Grievance Portal.
