

LogiSense Shipping SLA

Effective Date: January 1, 2024 | Version 2.8

1. Standard Shipping

- Standard shipping delivers within 5-7 business days from the date of dispatch.
- Orders placed before 2:00 PM are dispatched the same business day.
- Weekend and holiday orders are dispatched on the next business day.
- Standard shipping is available for all domestic orders.
- Tracking number is provided within 24 hours of dispatch via email and SMS.
- Estimated delivery dates are calculated excluding weekends and public holidays.

2. Express Shipping

- Express shipping guarantees delivery within 2-3 business days.
- Express orders placed before 12:00 PM receive same-day dispatch.
- Express shipping includes real-time tracking and delivery confirmation.
- If express delivery exceeds 3 business days, shipping charges are fully refunded.
- Express shipping is available for orders under 30kg and within serviceable PIN codes.
- Priority handling ensures express packages are processed first at distribution centers.

3. Same-Day Delivery

- Same-day delivery is available in select metro cities.
- Orders must be placed before 10:00 AM for same-day delivery eligibility.
- Same-day delivery window is between 6:00 PM and 10:00 PM on the order date.
- If same-day delivery fails, the order is upgraded to express with full refund of premium.
- Same-day delivery is not available for items shipped from outside the metro area.

4. Carrier SLA Commitments

- FedEx: 99.5% on-time delivery rate, maximum 2-day delay tolerance.
- UPS: 99.2% on-time delivery rate, maximum 3-day delay tolerance.
- DHL: 98.8% on-time delivery rate, maximum 3-day delay tolerance for international.
- BlueDart: 98.5% on-time delivery rate for domestic deliveries.
- Delhivery: 97.5% on-time delivery rate, specialized in Tier-2 and Tier-3 cities.
- Amazon Logistics: 99.0% on-time delivery rate for Prime-eligible orders.
- USPS: 97.0% on-time delivery rate, economical option for lightweight packages.

5. Delay Compensation

- Delays of 1-2 business days: Customer receives a 10% discount coupon on next order.
- Delays of 3-5 business days: Full shipping charges refunded automatically.
- Delays of 5-7 business days: 25% refund on order value plus shipping refund.
- Delays exceeding 7 business days: Full refund eligibility or free express re-shipment.
- Weather-related delays: Compensation starts after 3 additional days beyond weather event.
- Customs-related delays: Compensation starts after 5 additional days.
- Carrier-attributable delays are penalized per the carrier SLA agreement.

6. Delivery Attempt Policy

- A maximum of 3 delivery attempts are made for each package.
- If the customer is unavailable, a delivery notification is left.
- After 3 failed attempts, the package is held at the nearest facility for 7 days.
- Customer can reschedule delivery within the 7-day hold period at no additional cost.
- After the hold period, the package is returned to the warehouse and a refund is initiated.

7. International Shipping

- International orders are delivered within 10-15 business days.
- Customs duties and import taxes are the responsibility of the customer.
- International tracking is available through the carriers global network.
- Restricted items list varies by destination country.
- International returns follow the destination countrys return policy timeline.
